AS A BIRD WANDERS.
OUR FOCUS: THE PERILS OF WANDERING BIRDS and WANDERING PEOPLE.

Proverbs 27:8 A man who strays from home is like a bird that wanders from its nest. TLB

Proverbs 27:8 Like a bird that strays from its nest is a man who strays from his home. NIV

WANDERING MOTHERS (her) – THE WANDERING MEN (he).

Proverbs 27:8 Like a bird that wanders from her nest, so is a man who strays from his home. AMP

Proverbs 27:8 As a bird that Wenderoth from her nest, so is a man that wandereth from his place. KJV

WANDERETH.

In Proverbs 27:8 The Hebrew word for "*wandereth*" means to wander, flee, depart, retreat, or stray.

It describes a sudden or active departure from a place of safety, stability, duty, or belonging - into a state of being exposed and vulnerable.

WANDERING – wandering involves leaving or moving away from a specific place, fixed path, or purpose, rather than staying.

- **To "wander" means to move about aimlessly or without a fixed destination, therefore, it is the opposite of staying in one spot.**

NOT BEING LED OR DIRECTED.

- **It is LIKE A RUDDERLESS SHIP AT THE MERCY OF THE WAVES OF THE SEAS (*LIFE'S STORMS*) RENDERING THEM INCAPABLE OF REACHING THEIR REQUIRED DESTINATION.**

WANDERING ALSO SUGGESTS THERE IS NO RESTRAINT OF THE FEET.

Meaning there no disciplined guidelines that would ensure that we would walk in God's pathways and not stray from them.

Jeremiah 14:10 Thus says the Lord to these people: "Thus they have loved to wander; They have not restrained their feet." NKJV

Jeremiah 14:10 But the Lord replies: "You have loved to wander far from me and have not tried to follow in my paths. Now I will no longer accept you as my people." TLB

THE NEST (Bird's).

Biblically the nest symbolizes a place of safety, warmth, provision, and belonging.

STRAYING or LEAVING THE NEST.

Prematurely or unnecessarily exposing oneself to the resultant the perils of vulnerability faced when leaving or straying from a person's rightful place or 'home'.

IT'S UNNATURAL FOR A MOTHER BIRD TO WANDER AWAY, BE DISTRACTED OR LEAVE HER NEST. It's against Gods' law that he set in creation – see Genesis 1 & 6 &7.

IT IS ALSO UNNATURAL FOR A MAN (A FATHER) TO WANDER OFF OR DEPART FROM HIS RESPONSIBILITIES AND OBLIGATION THAT HE HAS TO HOME AND FAMILY.

FIRSTLY, WE MUST TAKE NOTE OF ASK FOLLOWING POINTS.

- **Why did she build a nest or take ownership of a disused nest? Wasn't it for the purpose of desiring to have a family? (the natural instinct of every female bird).**
- **And after producing eggs a mother bird wouldn't leave them in the nest thinking that her task as a mother had finished, that would be out of character to how God made birds to be reproductive.**
- **And wouldn't a mother bird sit on those eggs until the little eaglets were born.**
- **And wouldn't she protect them from the harsh elements of weather and predators by covering them with her body (wings).**
- **And wouldn't she feed them, love them, take great delight in them as her offspring and patiently wait to see them have the ability to fly and fend for themselves.**
- **The mother bird would not leave or stray or be enticed to leave her nest until her motherhood had been completed.**

BUT SOME MEN STRAY.

- **The bird may not stray from her nest, but man is known to lose interest in marriage and home, abandoning his wife and children.**
- **Man, sometimes becomes interested in things "outside" marriage and family and subsequently this causes their interest in home and family to lessen and eventually abandon the most basic responsibility of a father, which is to provide and protect for spouse and children.**

Two examples.

1. CHRIST AND HIS CHURCH.

Ephesians 5:29 For no man ever hated his own flesh, but nourishes and carefully protects and cherishes it, as Christ does the church, AMP.

2. THE BONDED SLAVE OR SERVANT- Exodus 21:5 - Please read the story.

- **The servant publicly declared, *"I love my master, my wife, and my children; I will not go out free" -* resulting in him serving his master for the rest of his life.**

Exodus 21:55 And if the servant shall plainly say, I love my master, my \ wife, and my children; I will not go out free: KJV

THE PERILS OF WANDERING OR STRAYING LEADS TO:

- **A RESTLESS conscience, inner anguish, anxiety, and a complaining or angry spirit instead of experiencing the presence of divine peace.**
- **ISOLATION: not walking in God's ways often leads to becoming disconnected with friends and the supportive faith community of your church leaving the persons to face their difficulties and struggles on their own.**
- **PERSONAL COMPROMISE where the boundary between right and wrong becomes increasingly clouded or blurred making it easier to justify habits or selfish choices that ultimately harm.**
- **STRAINED RELATIONSHIPS and unresolved issues that leads to friction and disharmony in community, or family or friends resulting broken trust.**
- **THE BROKEN FELLOWSHIP: DISTANCE from God disrupts intimacy, prayer life, and regular engagement with His Word.**
- **THE LOSS OF DIRECTION AND PURPOSE: DRIFTING creates an internal emptiness, stripping away spiritual vitality, discernment, and clarity.**
- **THE VULNERABILITY TO DECEPTION: Without an anchor in God's truth, believers become easily swayed by false teachings, cultural pressures, and rationalized sins.**
- **LET US REMAIN AT THE STEWARDSHIP THAT HAS BEEN GIVEN US.**
