METHODS and MOTIVATION

"PASSION BEFORE PLANS"

"MOTIVATION" BEFORE METHODS

OUR MESSAGE - REFLECTING ON Those who seem to place methods without necessarily considering the factor that motivation is critical for the implementation of any plan, strategy or method.

METHODS ARE IMPORTANT

We must plan. We must have some systematic and descriptive ways of doing God's work.

Defining the 'How To' is important

But the danger is **trusting on the methods without understanding the critical nature of Motivation to the successful implementation of those methods / plans and objectives for God's work.**

Too often this seems to be the reason why some of our methods, and detailed processes fail to reach the desired objectives.

A METHOD, (from English dictionary)

Is a systematic plan in presenting material for instruction.

Is also a particular procedure or technique for accomplishing or approaching something, especially a systematic established plan or objective.

MOTIVATION. (defined)

Motivation is the desire to act in service of a goal, **it's the crucial element** in setting and achieving our objectives.

Motivation has been defined **as an internal state that propels individuals** in the process of goal-directed activities that are **initiated engaged in and sustained.**

Motivation is **also** one of the **driving forces** behind human behaviour, **that fuels competition and sparks** social connection.

It is often understood as a force that explains why people initiate and continue or terminate a certain action or activity at a particular time.

WHEN MOTIVATION IS MISSING, ABSENT FROM OUR PLANS AND OBJECTIVES THEN WE TEND TO TURN TO METHODS AND THEN RELY ON THEM MORE.

Such a reliance or dependence on Methods alone can lead to disappointment and frustration because methods and defined objectives are only effective if they are carried out **by motivated and engaged persons.**

PEOPLE ARE IMPORTANT AND CRUCIAL - FOR ACCOMPLISHING THOSE METHODS

So, the best laid out plans and methods of processing God's work lay dormant until there is **someone, a PERSON** who is **passionately motivated and prepared** to actively engage themselves in seeing those stated methods accomplished.

PASSION IS CRITICAL

This internal state of passion is what propels individuals to engage in goal-directed behaviour AND is something that we must aim to see in the lives of God's people.

This internal state is the result of the Spirit's activity creating it in the life of the believer so that it is maintained even in the midst of the challenges, hindrance, opposition and sacrifice throughout the course of the mandate.

IF there is little passion in the heart for the work ahead then such persons will not last the distance, they will eventually disengage or abandon the work altogether.

▼ **PASSION AND PURPOSE**

WE NEED PASSION FOR THE FULFILLING OF THE PURPOSE especially the purposes of God.

* JESUS displayed amazing passion for the purpose that he was sent into this world and maintained that passionate state until the very end.

▼ **PLANS WITHOUT PASSION**

Many plans are never properly implemented because there is a lack of passion.

We need to focus more on developing in our people A PASSION for CHRIST and his PURPOSE.

▼ **THE MENTORING PROCESSES**

Also, in our MENTORING PROCESSES we should be actively teaching and constantly referring to the importance for every disciple to actively seek to develop inner passion as an essential part of their lives

Our focus should be more on developing passion in people's lives than on strategic methods which do have their proper place.

It is important that we inform how to evangelise and how to win the lost, developing the skills of how to approach and present Christ to others etc BUT it will require passion – strong abiding passion within people's lives to be able to implement such knowledge and instruction so that it is fruitful.

▼ **DEVELOPING PASSION FOR THE PERSON - JESUS CHRIST the SAVIOUR. The Son of Man**

▼ **DEVELOPING PASSION FOR HIS PURPOSE – the reason he came into this world and HIS continuing purpose**

WHEN PASSION PREVAILS - IT RULES OUT ALL QUESTIONS SUCH AS "Is it safe, what are the risks, will I have to learn to say no to my own will and embrace Christ's will – what kind of sacrifices will I have to make in my bearing the cross, etc"

IT IS PASSION FOR HIM AND HIS CAUSE THAT DRIVES US ON TO BE HIS DISCIPLE.

YES, PASSION IS CRUCIAL FOR EFFECTIVELY SERVING GOD, AS IT FUELS OUR ACTIONS AND ALLOWS US TO PURSUE HIS WILL WITH ENTHUSIASM AND DEDICATION, ULTIMATELY LEADING TO MORE IMPACTFUL AND FULFILLING SERVICE.

Amen – Ps Barry
